Decision No. 15

Decided: March 30, 2004

Decision No. 14 (served yesterday, March 29, 2004) includes, in an appendix, a “schedule of appearances” for the speakers who will be addressing the Board at the public hearing that will be held in this proceeding this coming Friday (April 2, 2004) in Trenton, NJ.

Today’s decision includes, in an appendix, a “revised schedule of appearances” that differs from the previous schedule in two respects. First, the revised schedule includes an entry for The Lackawanna Coalition and its speaker, Mr. John David Healy. This entry should have been included in the previous schedule, but was inadvertently left off. Second, the revised schedule indicates that Mr. R. Jerry Reynolds will be speaking on behalf of The National Industrial Transportation League. The previous schedule indicated that the League’s speaker had not yet been determined.

All other details noted in Decision No. 14 remain the same.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. Time at the April 2nd public hearing is allotted as reflected in the Appendix to this decision. Conrail Inc. and Consolidated Rail Corporation (collectively Conrail), CSX Corporation and CSX Transportation, Inc. (collectively CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively NS) may reserve part of their time to address at the end of the hearing any concerns that may be raised.

2. This decision is effective on the date of service.

By the Board, Vernon A. Williams, Secretary.

Vernon A. Williams
Secretary
